Balıklı Rum Foundation Hospital Rest House has been established in 1992. Balıklı Rum Foundation Hospital is situated on 160.000 square meters of innercity greenland. Hospital moved to its present address at 1953 and has been fully established on all medical branches. Hospital medical services are under the control of ministry of health and general manegement of foundations.

At foundation hospital's rest house has 4 medical doctors, 13 nurses and 30 staff are working at present. Guests are under 24 hours medical supervision. Specialized medical counsultation are available for the elderly patients from different services.

Balıklı Rum Foundation Hospital Rest House has 76 rooms and a capacity of 200 beds ranging from single bed to multiple beds. Since 1992 changes have been made through, patients and relatives needs.

Patients numbers changed accordingly through the years; 1992; 49 patients (%57 female, %43 male), 1993; 94 patients (%67 female, % male), 1994; 182 patients (%52 female, %48 male), 1995; 174 patients (%51 female, %49 male), 1996; 180 patients (%93 female, %7 male) and 1997; 213 patients (%94 female, %6 male)

Old people' s home' s peresence in hopital's body gives additional Comfort to guests and their families.

Social events are organized for the elderly, these events help to motivate patients for the treatment and a happy stay.

Establishing more of these types of old people' s home would be an Asset for the good of the community.
